Industry Leaders Continue to Select and Deploy Workday

Customer Momentum Builds with Bank of America and J.B. Hunt Now Live; New Financial Management Customers GoDaddy and The Ohio State University

PLEASANTON, CA--(Marketwired - Feb 29, 2016) - Workday, Inc. (NYSE: WDAY), a leader in enterprise cloud applications for finance and human resources, today announced further customer momentum as industry-leading organizations continue to select and deploy Workday Financial Management and Workday Human Capital Management (HCM).

Building on recent Workday Financial Management customer news including the expanded deployments of Aon plc and Cushman & Wakefield, new customer highlights include:

- **Bank of America**, one of the largest banks in the U.S. and globally, recently went live on Workday HCM.
- **GoDaddy Inc.**, a 5,000-employee company and leading technology provider to small businesses, web design professionals, and individuals, recently selected Workday Financial Management and Workday HCM.
- **J.B. Hunt Transport Services, Inc.**, one of the largest transportation logistics companies in North America with more than 20,000 employees, recently deployed Workday Financial Management.
- **The Ohio State University**, a top U.S. university with approximately 30,000 employees and 65,000 students, recently selected Workday Financial Management.

Comments on the News

"We continue to see large, global customers go live on Workday as well as more organizations move to Workday Financial Management in order to keep pace with today's dynamic business environment and to uncover more opportunities for growth," said Phil Wilmington, co-president, Workday. "With more than 70 percent of customers in production and a 98 percent customer satisfaction rating, our commitment to customer success is always our first priority."
